EXPERIENCE

[Nov 2018] – [Present]

QA ENGINEER • **[Unexpected-Developments]** • Nottingham, Nottinghamshire.

As a Quality Assurance engineer at Unexpected-Developments, I worked solely on a project dedicated to VR simulation. It was my responsibility to analyze software for faults and possible improvements. This includes creating new builds in the game engine (Unity) with the latest revisions to find, report and confirm any bugs that were occurring during the project's development.

[May 2018]

FREELANCE ILLUSTRATOR • **[Portal Books]** • Nottingham, Nottinghamshire.

Creating an illustration for a sequel LITRPG book cover called Renegade, Nova Online. Mainly using photo bashing and matte painting techniques to achieve the end result.

[Sept 2018]

PLAYTESTER • **[Hellboy The Board Game]** • Nottingham, Nottinghamshire.

Completing feedback forms about the game, set in groups of 4 and testing the mechanics of the game.

[Jan 2015] – [Present]

DIGITAL ILLUSTRATOR • **[Cosmosys Art Collective]** • Isle of Man

The Cosmosys art collective is an online exhibition, featuring artists all over the world that collaborate on projects based on themes that are relevant to the time.

[sept 2012] – [July 2014]

GRAPHIC DESIGNER • **[Volcano Design Agency]** • Nottingham, Nottinghamshire

During my time at Volcano, I was assigned briefs from local companies in Nottingham to create any visual identity's that were needed - This varied from different fields, such as web design, brand creation, animation and illustration.
